### Blade Banner Flag

The Blade style banner flag has a stylish curved top that is similar to the triangular teardrop style, but features a larger visual area. The pole consists of a sectional aluminium design with a fibreglass tip.

<b>Pole Height</b>	<b>Banner Flag Dimensions</b>
3m - Medium	2350 x 770mm
4m - Large	3350 x 810mm
5m - X-Large	3950 x 810mm

### Feather Banner Flag

The Feather style banner flag is similar to the Blade banner flag but it has a stylish curved base as opposed to the straight angled base of the Blade banner flag.

<b>Pole Height</b>	<b>Banner Flag Dimensions</b>
3m - Medium	2350 x 770mm
4m - Large	3350 x 810mm
5m - X-Large	3950 x 810mm

### Teardrop Banner Flag

The teardrop style banner flag features a 'triangular' eye-catching shape which is both popular and effective. The pole consists of a sectional aluminium design with a fibreglass tip. The Teardrop style banner flag is an ideal shape for wall mounting and is perfect for areas where patrons queue.

<b>Pole Height</b>	<b>Banner Flag Dimensions</b>
2m - Small	2100 x 780mm
3m - Medium	2340 x 1090mm
4m - Large	3075 x 1270mm
5m - X-Large	3710 x 1340mm

### Wing Banner Flag

The Wing style banner flag features a 'rectangular' shape and is the latest new alternative for promotional banner flags. The large visual area ensures that the image is easily viewed, and allows more room for design elements. The flag is supported by a sectional aluminium pole at the side and the top.

<b>Pole Height</b>	<b>Banner Flag Dimensions</b>
3m - Medium	2300 x 810mm
4m - Large	3300 x 810mm
5m - X-Large	3700 x 810mm
